Scared of exams!? Say a prayer

Lord,

I want to do my best to fulfil
the potential you gave me
to keep things in perspective and
be content with the best
I can do in the exams
to look out for my friends who
need encouragement, and
to always remember that the real
test is how closely
I can follow in your way.

Amen.

STOP&PRAY

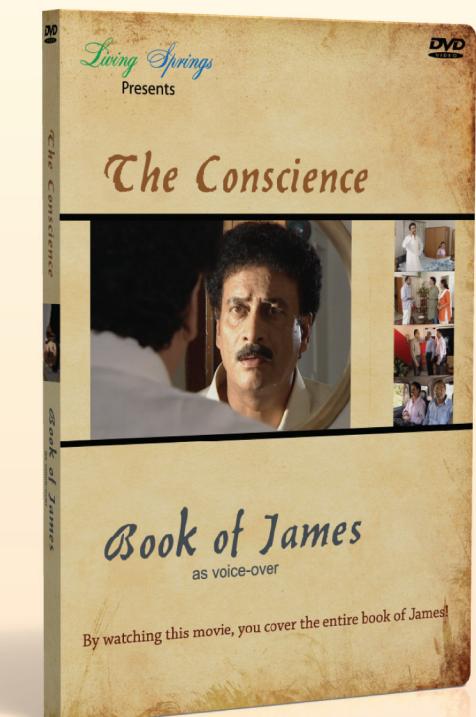

Though the Book of James was written 2000 years ago, it is relevant even today! See how it comes alive to Sanjeev as the voice of The Conscience.

Living Springs
Presents
